This is in continuation of our earlier Letter Number CCA/Pro-rata/Group-A/2006 dated 11-03-2008 addressed to CMD MTNL vide which a duly approved/certified list of employees who have opted for Prorata pension were sought.

It has been seen from the letters issued by MTNL Corporate office that the officers were given time to exercise their options which was extended upto 31-07-2008 which has further been extended till 31-12-2008.

In this regard, it is intimated that till the finalization of option exercising process is completed and duly approved/certified list is furnished, solitary cases of officers exercising the option of Pro-rata pension shall not be sent to this office. However, cases of only such employees who have either taken VRS or Superannuated and have exercised the option of taking Prorata Pension, may be sent to this office.

It is requested that necessary instructions may kindly be got issued in this regard.

This issues with the approval of the Competent Authority.
